Nation's Largest Hero Savings Program Homes for Heroes Is Now Available To Local Chicago Heroes

Chicago, IL, January 8, 2019 – Inspired by the tragic events of 9/11, Homes for Heroes was started in Minneapolis, MN at the beginning of 2002. In 2009 it grew to become a national organization that has since helped over 20,000 heroes and given back over \$32,000,000.

Homes for Heroes' mission is to provide extraordinary savings to heroes who provide extraordinary services to our nation and its communities every day. Heroes include: firefighters, law enforcement, military (active, reserves and veterans), healthcare workers, EMS and teachers.

Homes for Heroes is comprised of affiliate real estate and lending specialists across the country along with local and national businesses committed to providing Hero Rewards, which are easy ways for heroes to save significant money on a home. When working with Homes for Heroes real estate and lending specialists specifically, heroes are able to receive significant savings when they buy, sell or refinance a home. Hero Rewards is our way to say "Thank You."

"We're committed to giving back, serving and saying thank you to our local community heroes because they do so much to make our great community what it is today. They tirelessly serve and sacrifice for us so we feel it's the right thing to do, and we're excited to be able to give back and say Thank You in such a meaningful and positive way," says Brittany Wrenn, local Homes for Heroes real estate specialist in Chicago.

About Homes for Heroes

Homes for Heroes, Inc., was established shortly following the tragic events of 9/11 as a way to give back and say "Thank You" to our nation's heroes. Homes for Heroes is the largest nationwide network of affiliate real estate specialists, lending specialists and local businesses who provide easy ways for firefighters, law enforcement, military (active, reserves and veterans), healthcare workers, EMS and teachers to save money when buying, selling or refinancing a home. Every time a hero uses Homes for Heroes for their real estate transactions, they are helping heroes in need because Homes for Heroes donates a portion of their earnings to the Homes for Heroes Foundation, a nonprofit that provides assistance to heroes in need.
